

**Regulations relating to prohibition on anchorage and fishing with certain types of gear around wellframes with manifold water injection on the Draugen field. Stipulated by Royal Decree of 23 June 1989 by virtue of Royal Decree of 9 October 1987 relating to safety zones etc., Section 9, second paragraph. Last amended by Royal Decree of 5 May 1993.**

### **Section 1**

These regulations apply to an area around/above two water injection manifolds on the Draugen field, limited by a circle with a radius of 500 meters distance from the center of the installations.

The position of the installations are as follows:

	UTM Coordinates	Geographical Coordinates
Northern water injection manifold:	7 142 300 N 442 000 E	64° 24' 00" N 7° 47' 45" E
Southern water injection manifold:	7 132 400 N 439 000 E	64° 18' 37" N 7° 44' 24" E

### **Section 2**

Within the area described in Section 1 all unnecessary anchoring and fishing with trawls, trawl nets, purse-seines and other gear which may cause damage to installations on or above the seabed, is prohibited.

### **Section 3**

Willful or negligent violation of these regulations, is punishable pursuant to Act of 22 March 1985 No 11 relating to petroleum activities, Section 66, and regulations relating to safety zones, Section 15.

### **Section 4**

These regulations enter into force from the time the Ministry decides.
