Dear Sirs

Order following the investigation of an incident with personal injury during a crane and lifting operation on Johan Sverdrup RP

From 14 May to 8 September 2020, we investigated a serious lifting incident with personal injury on Johan Sverdrup RP.

We refer to our notice of an order and the forwarding of our revised report on 24 September 2021. In conformity with the notice, we hereby issue the following order.

Pursuant to section 69 of the framework regulations on administrative decisions, see sections 30 and 92 of the activities regulations on safety clearance of activities and on lifting operations respectively, and section 6 of the management regulations on management of health, safety and the environment, Equinor is ordered to do the following:

- *identify and implement measures which ensure that lifting operations on Johan Sverdrup receive safety clearance before being executed*
- *ensure that the responsibility and authority of those planning and executing lifting operations on Johan Sverdrup are unambiguously defined and coordinated at all times.*

The deadline for compliance with the order is 10 January 2022. We must be notified when the order has been complied with.

We would request that a scheduled plan for complying with the order is submitted to us no later than 13 October 2021.

An appeal can be made against this decision pursuant to section 28 of the Public

Administration Act. The deadline is three weeks from the receipt of this letter. A possible appeal will be heard by the Ministry of Labour and Social Affairs, but must be submitted to us. Further information on the right to lodge an appeal and the procedure for doing so can be obtained from us.

This decision must be made known to the elected officers for the workforce, including the safety delegates, pursuant to section 18-6, paragraph 8, of the Working Environment Act.

The decision will be published on www.psa.no.

Yours faithfully

Kjell Marius Auflem, by authority
Head of supervision

Torbjørn Gjerde
Principal engineer
